

DELUXE TUMBLING TOWER WOOD BLOCK STACKING GAME

2-6 players

Objective:

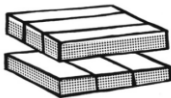

Players take it in turns to remove a block from the tower placing it on top of the tower. The player who causes the whole tower to fall loses the game.

Step 1.

Find a flat stable surface to build up the tower.

Step 2.

Lay three blocks side by side. Now lay another three blocks on top of the first layer, at right angles.

Step 3.

Keep Building up layers until all of the blocks have been added to the tower.

Step 4.

The person who built the tower goes first. Then each player takes it in turns clockwise to remove a block from anywhere below the very top layer, then place it at the top. First player to cause the tower to fall is the loser of the game!
